

Add a preferred hotel to your programme at a great rate with just **2 clicks!**

Negotiating discounts with hotels takes considerable time, cost and resources.

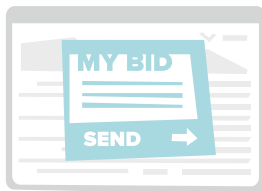

Augment your existing programme with additional hotels at no cost!

1

EASILY IDENTIFY NEED AND SAVINGS

Our Hotel Intelligence solution identifies the cities where you have the most need for a preferred hotel discount and the best hotels to consider.

2

SEND A BID WITH A SINGLE CLICK

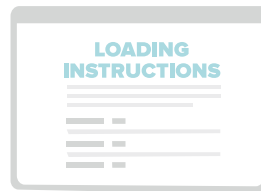

Rates and discounts are pre-calculated based upon our database of negotiated rates across 2,800+ corporations. All you do is review and click send.

3

WAIT FOR RESPONSE

The target hotel receives the opportunity and has 48 hours to respond.

4

AUTOMATIC SETUP

If accepted, rate loading instructions are automatically forwarded to the hotel and online booking tool.

5

IMMEDIATE AUDITING

Rate availability and discount levels are audited from day one. Hotel performance is measured and reported daily.

↑ INCREASE SAVINGS

By having more preferred hotels in your programme, you will increase coverage and compliance which increases savings.

↑ INCREASE TRAVELLER SATISFACTION

By having more hotels in your programme, traveller satisfaction increases by having more choice.

⌚ REAL-TIME AUDITING

Hold hotels accountable and ensure discounts are provided across all corporate bookings at all preferred hotels.

NO ADDITIONAL COST
